

**Óbuda University**

**Doctoral School on Safety and Security Sciences**

**PREPARATION OF RESEARCH AND STUDY PLAN OF THE CANDIDATE**

The plan has to be focused on specific tasks without descriptions which are not necessary and are not in scope.

The research plan has to contain the following items:

1. Title
2. Name of the research group, topic and supervisor suggested by the Obuda University
3. Key words (3-5)
4. Research motivation (previous investigation, scientific interest, connection with research center)
5. Previous connections to the suggested research
6. Research aims, their importance and novelty
7. Research tasks (3-5 rows) and their connection to other investigations
8. Investigation procedures, techniques and methods. Required systems for realization of the research.
9. Planned partial investigation results and their connection to the previous ones.
10. Reference list of publications which are connected with investigation. Reference list has to contain only those bibliographic items which are mentioned in the text of report.
11. Give 8 courses which would like to be entered divided in semesters.
12. Remark of the supervisor.
13. Date
14. Signature of the supervisor
15. Signature of the candidate
